Our Story

Cooking isn't our job, it's our passion!

When siblings Belle and Bank opened Little Charm Eatery, they brought more than recipes – they brought a lifetime of Sunday dinners, handwritten notes, and the kind of flavors that feel like home.

Every dish on our menu began as a family tradition, lovingly refined over time: a pinch of patience, a splash of curiosity, and ingredients chosen for freshness and flavor. Their dream was simple – to create a warm, welcoming place where neighbors could gather, slow down, and enjoy honest food made with care.

Nestled in Wallingford, Connecticut, Little Charm Eatery is that dream realized: a cozy dining room, friendly faces, and a kitchen committed to high-quality, fresh ingredients. Thank you for joining our table – every meal you share with us helps keep a family tradition alive.
